

HOW TO APPLY AND TAKE THE COURSES

1. Register for our course by using our Registration form.
Fill the form and chose the type of course you are interested in.
If you need more information or you want to register more people, please explain in more details using the space Additional information.
2. After submitting your request we will send you back information about further steps – confirmation & payment
3. After you have paid the course fee you will receive an email with the access details – an email with login link, username and password
4. Log in and start your course
5. Optional – download the mobile app – you can find it in Play Store or Apple Store under the name **Vmedu** or on the menu tab “Free resources” on our site
6. After logging in, take the course. Materials included: Videos, Study Guides, Case studies, Glossary of terms, etc.
7. Take the exam
8. After completing the exam you will receive a certificate - [Example of the certificate](#)
